

7. This will be the back of your angel

8. Repeat step 6 on the inside seam

9. Make a ball of clay the size you want the head to be. Hollow this out

10. Make a hole in the top of the cone so air can flow through

11. Paint slip inside the ball and place over the point. Blend in extra clay to secure at the back of the neck

12. Smooth in so it's nice and neat
