Cutters For Clay

www.cuttersforclay.co.uk

1. Roll out clay to 7mm thick

2. Stamp and then cut out a sheep head and a sheep body

3. Create your wool either by thinly rolling out some clay or use a clay extruder

4. On the head, score where you want to add your hair

5. Paint on lots of slip where you have scored on the head

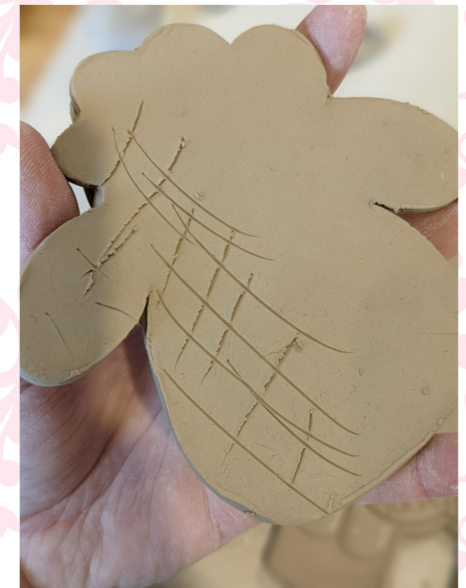

6. Place your 'wool' onto the slipped area. Very gently press into place

7. Layer up your wool to make your sheep's fluffy head

8. Score the sheep's body where you want to attach wool and an area to attach the head

9. Score the back of the sheep's head

10. Paint of slip onto the scored areas on the body and back of the head and firm the head into place

11. Make your 'wool' for your sheep's body and add slip to the area you've already scored

12. Layer up your 'wool' and ta-dah!
