

Make a Christmas Holly Wreath Hanging Decoration with me...

Cutters For Clay

www.cuttersforclay.co.uk

1. Roll out your clay to 7mm thick, we've used our handy clay spacers to help! Use the 2 circle cutter to cut out a polo shape like this

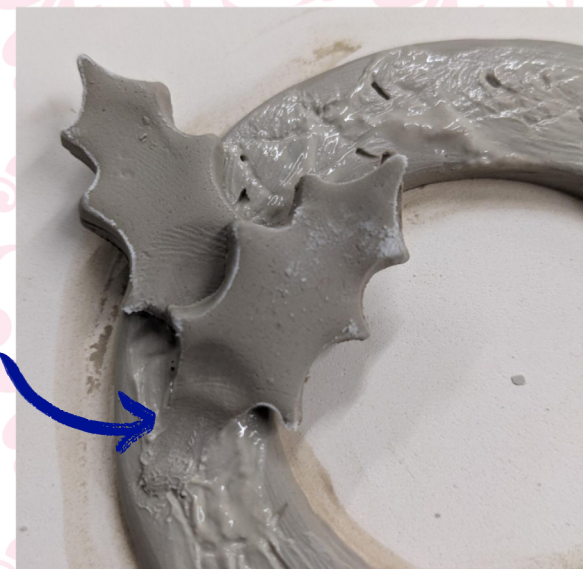

2. Use the holly cutter to cut out lots of holly leaves

3. Score one end of all the holly leaves and score and slip all over your wreath base. Add your first leaf, squishing the tip of the leaf into the wreath base

4. Add your next leaf, slightly overlapping the leaves like this...smush the tip of the leaf into the wreath base

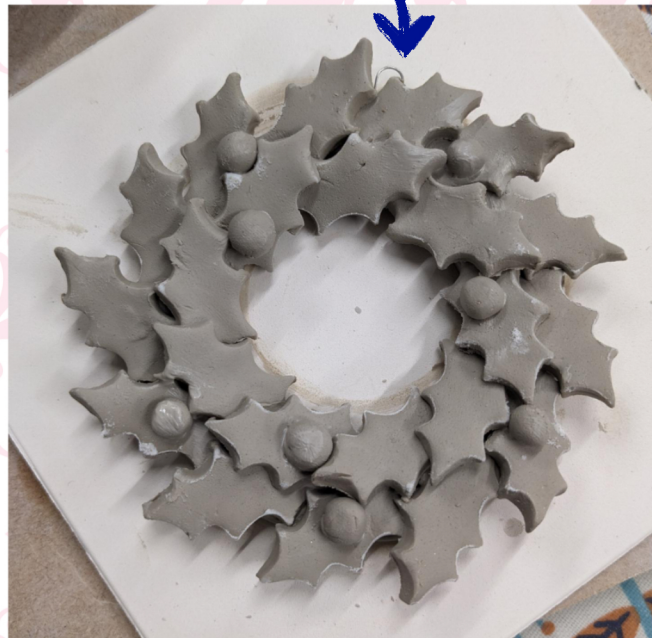

5. Continue adding leaves to form an outer circle of leaves first...then add your inside circle of leaves

6. Roll small balls of clay for the berries and add them where you want them. Remember to score and slip them in place

7. Add a metal hook into your wreath base so it can be used as a festive hanging decoration

8. Ta-dah!
You have your holly wreath!
